

Chemola™ Desco Red Bentone

High Temp Grease

Chemola™ Desco Red Bentone offers the ultimate in general purpose lubrication with the added property of extreme pressure lubricity. This grease is compounded from a blend of the finest mineral and synthetic oils coupled with an inorganic gelling agent. Chemola™ Desco Red Bentone Grease offers additional protection to meet today's high performance requirements.

Recommended Uses

King pin, ball joints, bearings, slides, gears, universal joints and screws. Excellent for use on high speed bearings.

Typical Characteristics

Red, tacky, smooth
